The real property that is the subject of the Security Instrument shall be called "Property" in this Note. **EVENTS OF DEFAULT; REMEDIES.** I will be in default and you may, to the extent permitted by law, declare the entire unpaid balance of this loan immediately due and payable if (each an "Event of Default"): (a) I do not keep any promise or perform any obligation under this Note or any other contract or note that I may have with you; or (b)I give you false or misleading information in order to obtain, or while I owe on, this Note; or (c) I should die or become involved in any bankruptcy, receivership, insolvency, or custodial proceedings brought by or against me; or (d) I should have a judgment or tax lien filed against me or any attachment or garnishment should be issued against any of my property or rights, specifically including anyone starting an action or proceeding to seize any funds that I may have on deposit with you; and/or (e) you, in good faith, reasonably believe my ability to repay the indebtedness owed under this is or soon will be impaired, time being of the very essence. If permitted by law, I waive any otherwise required notice of: presentment; dishonor; demand; acceleration; and intent to accelerate. If I am in default, to the extent permitted by law, without any prior notice or demand, unless required by law, I will have to pay the entire unpaid balance of this loan and you may invoke any other remedies permitted by applicable law. You may sell or dispose of the Collateral in any manner permitted by law. After appropriate application of the proceeds of any sale, I will be liable to pay any resulting deficiency on my loan to you, to the extent permitted by law.

**JOINT AND SEVERAL LIABILITY.** Each Borrower's obligations and liabilities are joint and several.

Borrower acknowledges this Agreement is secured by a Deed of Trust on real property located in California. That Deed of Trust contains the following due on sale provision:

**Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) unless the Note shows that Borrower's loan is assumable, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. If the Note shows that Borrower's loan is assumable, Borrower must obtain Lender's written permission for an assumption and follow any other requirements of Lender related to an assumption. If Borrower does not do so, Lender may require immediate payment in full of all sums secured by this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than the minimum number of days established by Applicable Law from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**FORBEARANCE.** You do not lose your rights under this Note if you delay enforcing them. No failure or delay on the part of Lender, and no course of dealing between Borrower and Lender, shall operate as a waiver of such power or right, nor shall any single or partial exercise of any power or right preclude other or further exercise thereof or the exercise of any other power or right.

**GIVING OF NOTICES.** Notice(s) must be given to me by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Lender a notice of my different address, unless applicable law requires a different method. I agree to provide the Lender with my most current mailing address, as it may change from time-to-time.

Notice(s) that must be given to the Lender will be given by mailing it by first class mail to the Lender at the address referred to above or at a different address if I am given a notice of that different address by the Lender.

**ASSIGNABILITY.** You may assign any of your rights under this Note without my consent. I may not assign my obligations.

**SEVERABILITY.** If any provision of this Note is determined to be unenforceable or invalid by a court of competent jurisdiction, all other provisions shall remain in full force and effect.

**HEADINGS.** The headings preceding text in this Note are for my general convenience in identifying subject matter, but have no limiting impact on the text which follows any of the particular heading.

# DEED OF TRUST

THIS DEED OF TRUST ("Security Instrument") is made on February 18, 2025. The grantor is [redacted] ("Grantor"). Grantor is not necessarily the same as the Person or Persons who sign the Note. The trustee is WESTCOR LAND TITLE INSURANCE COMPANY, whose address is MAITLAND, ORANGE COUNTY, CA 32751 ("Trustee"). The beneficiary is FARM CREDIT MID-AMERICA, FLCA, which is organized and existing under the laws of the United States of America and whose address is PO BOX 34390, LOUISVILLE, Kentucky 40299 ("Lender"). [redacted] ("Borrower") owes Lender the principal sum of One Hundred Ninety-one Thousand Two Hundred Fifty and 00/100 Dollars (U.S. $191,250.00), which is evidenced by the note, consumer loan agreement, or similar writing dated the same date as this Security Instrument (the "Note"), which provides for monthly payments ("Periodic Payments"), with the full debt, if not paid earlier, due on March 1, 2040. This Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications of the Note; (b) the payment of all other sums, with interest, advanced to protect the security of this Security Instrument under the provisions of the section titled **PROTECTION OF LENDER'S RIGHTS IN THE PROPERTY**; and (c) the performance of the covenants and agreements under this Security Instrument and the Note. For this purpose, Grantor, in consideration of the debt and the trust herein created, irrevocably grants and conveys to Trustee, in trust for the benefit of Lender as beneficiary, with power of sale, all of Grantor's right, title, and interest in and to the following described property located in the County of MODOC, State of California:

Address: [redacted]
Legal Description: See Exhibit A attached hereto and incorporated herein by reference

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

GRANTOR COVENANTS that Grantor is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Grantor warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

Grantor and Lender covenant and agree as follows:

**PAYMENT OF PRINCIPAL AND INTEREST; PREPAYMENT AND LATE CHARGES.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

© TruStage Compliance Solutions 2004-2024

**APPLICABLE LAW.** As used in this Security Instrument, the term "Applicable Law" shall mean all controlling applicable federal, state and local statutes, regulations, ordinances and administrative rules and orders (that have the effect of law) as well as all applicable final, non-appealable judicial opinions.

**FUNDS FOR TAXES AND INSURANCE.** At Lender's request and subject to Applicable Law, Borrower shall pay to Lender on the day periodic payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of the paragraph titled **MORTGAGE INSURANCE**, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another Applicable Law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless Applicable Law provides otherwise. Unless an agreement is made or Applicable Law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by Applicable Law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of Applicable Law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under the section titled **ACCELERATION; REMEDIES**, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by the Security Instrument.

**APPLICATION OF PAYMENTS.** Unless Applicable Law provides otherwise, all payments received by Lender shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under the section titled **FUNDS FOR TAXES AND INSURANCE;** third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

**CHARGES; LIENS.** Grantor shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in section titled **FUNDS FOR TAXES AND INSURANCE,** or if not paid in that manner, Grantor shall pay them on time and directly to the person owed payment. At the request of Lender, Grantor shall promptly furnish to Lender receipts evidencing the payments.

Grantor shall promptly discharge any lien which has priority over this Security Instrument unless Grantor: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b)

contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Grantor a notice identifying the lien. Grantor shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

**HAZARD OR PROPERTY INSURANCE.** Grantor shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Grantor subject to Lender's approval which shall not be unreasonably withheld. If Grantor fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with section titled **PROTECTION OF LENDER'S RIGHTS IN THE PROPERTY.**

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Grantor shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Grantor shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Grantor.

Unless Lender and Grantor otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if, in Lender's sole discretion, the restoration or repair is economically feasible and Lender's security is not lessened. If, in Lender's sole discretion, the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Grantor. If Grantor abandons the Property, or does not answer within the number of days prescribed by Applicable Law as set forth in a notice from Lender to Grantor that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The period of time for Grantor to answer as set forth in the notice will begin when the notice is given.

Unless Lender otherwise agrees in writing, any application of proceeds to principal shall not extend or postpone the due date of the payments referred to in the sections titled **PAYMENT OF PRINCIPAL AND INTEREST; PREPAYMENT AND LATE CHARGES** AND **FUNDS FOR TAXES AND INSURANCE** or change the amount of the payments. If under the section titled **ACCELERATION; REMEDIES**, the Property is acquired by Lender, Grantor's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**PRESERVATION, MAINTENANCE AND PROTECTION OF THE PROPERTY; FALSE STATEMENTS; LEASEHOLDS.** Grantor shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Grantor shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Grantor may cure such a default and reinstate, as provided in section titled **GRANTOR'S RIGHT TO REINSTATE**, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Grantor's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. It shall also be a default hereunder if Grantor or Borrower has provided materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note. If this Security Instrument is on a leasehold, Grantor shall comply with all the provisions of the lease. If Grantor acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**PROTECTION OF LENDER'S RIGHTS IN THE PROPERTY.** If Grantor fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to

enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this section, Lender does not have to do so.

Any amounts disbursed by Lender under this section shall become additional debt of Grantor secured by this Security Instrument. Unless Grantor and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Grantor requesting payment.

**MORTGAGE INSURANCE.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Grantor shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Grantor shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Grantor of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Grantor shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Grantor when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use, and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Grantor shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Grantor and Lender or Applicable Law.

**INSPECTION.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Grantor notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**CONDEMNATION.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Grantor. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Grantor and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Grantor. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Grantor and Lender otherwise agree in writing or unless Applicable Law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Grantor, or if, after notice by Lender to Grantor that the condemnor offers to make an award or settle a claim for damages, Grantor fails to respond to Lender within the minimum number of days established by Applicable Law after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender otherwise agrees in writing, any application of proceeds to principal shall not extend or postpone the due date of the payments referred to in the sections titled **PAYMENT OF PRINCIPAL AND INTEREST; PREPAYMENT AND LATE CHARGES** AND **FUNDS FOR TAXES AND INSURANCE** or change the amount of such payments.

**BORROWER NOT RELEASED; FORBEARANCE BY LENDER NOT A WAIVER.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to

Borrower or any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**SURVIVAL.** Lender's rights in this Security Instrument will continue in its successors and assigns. This Security Instrument is binding on all heirs, executors, personal representatives, administrators, successors, and assigns of the Grantor.

**JOINT AND SEVERAL LIABILITY.** Each Grantor's obligations and liabilities are joint and several.

**ACCOMMODATION SIGNERS.** Any person who co-signs this Security Instrument but does not execute the Note ("Accommodation Signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey that Accommodation Signer's interest in the Property under the terms of the Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Grantor may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Accommodation Signer's consent.

**LOAN CHARGES.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limits and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**NOTICES.** Any notice to Grantor provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless Applicable Law requires use of another method. The notice shall be directed to the Property Address or any other address Grantor designates by notice to Lender. Grantor agrees to provide Lender with Grantor's most current mailing address, as it may change from time-to-time. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Grantor. Any notice provided for in this Security Instrument shall be deemed to have been given to Grantor or Lender when given as provided in this paragraph.

**GOVERNING LAW.** California law applies to all matters arising under or relating to this Security Instrument without regard to any choice-of-law rules that might direct the application of another jurisdiction's laws.

**SEVERABILITY.** If a court for any reason holds a provision of this Security Instrument to be unenforceable, the rest remains fully enforceable.

**GRANTOR'S COPY.** Grantor shall be given one copy of this Security Instrument.

**TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN GRANTOR.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Grantor is sold or transferred and Grantor is not a natural person) unless the Note shows that the loan is assumable, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. If the Note shows that the loan is assumable, Grantor must obtain Lender's written permission for an assumption and follow any other requirements of Lender related to an assumption. If Grantor does not do so, Lender may require immediate payment in full of all sums secured by this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than the minimum number of days established by Applicable Law from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Grantor.

**GRANTOR'S TO REINSTATE.** If Grantor meets certain conditions, Grantor shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as Applicable Law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Grantor: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees to the extent permitted by law; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Grantor's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Grantor, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under the section titled **TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN GRANTOR.**

**SALE OF NOTE CHANGE OF LOAN SERVICER.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Grantor. A sale may result in a change in the entity (known as the "Loan Servicer") that collects periodic payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Grantor will be given written notice of the change in accordance with the section titled **NOTICES AND APPLICABLE LAW**. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by Applicable Law.

**HAZARDOUS SUBSTANCES.** Grantor shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Grantor shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Grantor shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Grantor has actual knowledge. If Grantor learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Grantor shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph, "Environmental Law" means federal laws and laws of the state of California that relate to health, safety or environmental protection.

**ACCELERATION; REMEDIES. Lender shall give notice to such parties as required by Applicable Law prior to acceleration following the breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under the section titled Transfer of the Property or a Beneficial Interest in Grantor, unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than the minimum number of days established by Applicable Law from the date the notice is given, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. To the extent permitted by law, the notice shall further inform the party of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by Applicable Law. To the extent permitted by law, Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section, including, but not limited to, reasonable attorney's fees and costs of title evidence.**

**If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee shall cause this notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall mail copies of the notice as prescribed by Applicable Law to Grantor and to the other persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Grantor, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.**

**Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorney's fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.**

**RECONVEYANCE.** Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Lender may charge such person or persons a reasonable fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law. If the fee charged does not exceed the fee set by Applicable Law, the fee is conclusively presumed to be reasonable.

**SUBSTITUTE TRUSTEE.** Lender, at its option, may from time to time appoint a successor trustee to any Trustee appointed hereunder by an instrument executed and acknowledged by Lender and recorded in the office of the Recorder of the county in which the Property is located. The instrument shall contain the name of the original Lender, Trustee and Grantor, the book and page where this Security Instrument is recorded and the name and address of the successor trustee. Without conveyance of the Property, the successor trustee shall succeed to all the title, powers and duties conferred upon the Trustee herein and by Applicable Law. This procedure for substitution of trustee shall govern to the exclusion of all other provisions for substitution.

**WAIVER OF HOMESTEAD EXEMPTION RIGHTS.** Grantor and all other signatories to this Security Instrument, to the extent each possesses homestead exemption rights in the Property, hereby waive all homestead exemption rights relating to the Property to the extent permitted by law.

**WAIVER OF MARITAL PROPERTY RIGHTS.** Grantor and all other signers of this Security Instrument hereby waive, to the fullest extent allowed by law, any and all marital or spousal rights in and to the Property, including but not limited to, community property rights, elective share rights, intestate share rights, exempt property rights, and all such other rights which arise out of a marital or spousal interest.

**STATEMENT OF OBLIGATION FEE.** Lender may collect a fee not to exceed the maximum amount permitted by Applicable Law for furnishing the statement of obligation as provided by Section 2943 of the Civil Code of California.

**ORAL AGREEMENTS DISCLAIMER.** This Security Instrument represents the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

BY SIGNING BELOW, Grantor accepts and agrees to the terms and covenants contained in all pages of this Security Instrument and in any Rider executed by Grantor and recorded with it.

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

### What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

### Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

[redacted] Certification - W-9 (Rev. 3-2024) DL2137

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

**Caution:** If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding,* later.

**By signing the filled-out form,** you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);

2. Certify that you are not subject to backup withholding; or

3. Claim exemption from backup withholding if you are a U.S. exempt payee; and

4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and

5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting,* later, for further information.

**Note:** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding.** Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441-1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

***Example.*** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester;

2. You do not certify your TIN when required (see the instructions for Part II for details);

3. The IRS tells the requester that you furnished an incorrect TIN;

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or

5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under *"By signing the filled-out form"* above (for reportable interest and dividend accounts opened after 1983 only).

© TruStage Compliance Solutions 2007-2024

Certain payees and payments are exempt from backup withholding. See *Exempt payee code,* later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding,* earlier.

## What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code,* later, and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

**Note for ITIN applicant:** Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or "doing business as" (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

• **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner's name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S.federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

### Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

### Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

| IF the entity/individual on line 1 is a(n)... | THEN check the box for ... |
|---|---|
| • Corporation | Corporation. |
| • Individual or<br>• Sole proprietorship | Individual/sole proprietor. |
| • LLC classified as a partnership for U.S. federal tax purposes or<br>• LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation | Limited liability company and enter the appropriate tax classification:<br>P = Partnership,<br>C = C corporation, or<br>S = S corporation. |
| • Partnership | Partnership. |
| • Trust/estate | Trust/estate. |

### Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

**Note:** A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

### Line 4 Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space on line 4 any code(s) that may apply to you.

**Exemption from FATCA reporting code.** The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

**Note:** You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

### Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

### Line 6

Enter your city, state, and ZIP code.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note:** See *What Name and Number To Give the Requester,* later, for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at *www.SSA.gov*. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/EIN*. Go to *www.irs.gov/Forms* to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to *www.irs.gov/OrderForms* to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note:** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code,* earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

## Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

© TruStage Compliance Solutions 2007-2024

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

**Protect yourself from suspicious emails or phishing schemes**. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to *phishing@irs.gov*. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at *spam@uce.gov* or report them at *www.ftc.gov/complaint*. You can contact the FTC at *www.ftc.gov/idtheft* or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see *www.IdentityTheft.gov* and Pub. 5027.

Go to *www.irs.gov/IdentityTheft* to learn more about identity theft and how to reduce your risk.

## Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.

# Additional Information About This Loan

## Loan Disclosures

**Assumption**
If you sell or transfer this property to another person, your lender

☐ will allow, under certain conditions, this person to assume this loan on the original terms.

☒ will not allow assumption of this loan on the original terms.

**Demand Feature**
Your loan

☐ has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.

☒ does not have a demand feature.

**Late Payment**
**LATE CHARGE FOR OVERDUE PAYMENTS.** If the Lender has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Lender. The amount of the charge will be 5% of that portion of the installment of principal and interest that is overdue.

**Negative Amortization** (Increase in Loan Amount)
Under your loan terms, you

☐ are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.

☐ may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.

☒ do not have a negative amortization feature.

**Partial Payments**
Your lender

☒ may accept payments that are less than the full amount due (partial payments) and apply them to your loan.

☐ may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.

☐ does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

**Security Interest**
You are granting a security interest in
*0 COUNTY RD 63, LIKELY, CA 96116*
You may lose this property if you do not make your payments or satisfy other obligations for this loan.

**Escrow Account**
***For now,*** your loan

☐ will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

| Escrow | | |
|---|---|---|
| Escrowed Property Costs over Year 1 | | Estimated total amount over year 1 for your escrowed property costs: |
| Non-Escrowed Property Costs over Year 1 | | Estimated total amount over year 1 for your non-escrowed property costs: You may have other property costs. |
| Initial Escrow Payment | | A cushion for the escrow account you pay at closing. See Section G on page 2. |
| Monthly Escrow Payment | | The amount included in your total monthly payment. |

☒ will not have an escrow account because ☐ you declined it ☒ your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

| No Escrow | | |
|---|---|---|
| Estimated Property Costs over Year 1 | $1,334.90 | Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year. |
| Escrow Waiver Fee | | |

***In the future,***
Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.

**BORROWER INFORMATION**

[redacted]

---

[redacted] "Lender" means Farm Credit Mid-America, FLCA/PCA whose address is 12501 Lakefront Place, Louisville, Kentucky 40299, its successors and assigns, and will be referred to in this Borrower Information and Disclosures (this "Disclosure") as "we," "our," or"us." **BORROWER.** "Borrower" means each person or legal entity described in the Borrower Information above and will be referred to as "you" or "your."

---

This Disclosure explains certain rights and services that are available to you. It includes information on customer stock and several other disclosure areas. We urge you to review this Disclosure and the materials provided to you with this Disclosure.

**INFORMATION CONCERNING YOUR INVESTMENT.** In accordance with the Farm Credit Act of 1971, as amended, 12 U.S.C. §2199 (the "Act"), each Borrower is required to invest in Farm Credit Mid-America, ACA (the "Association"), Lender's parent association, as a condition of obtaining a loan from Lender. As authorized by the Act and the Association's capitalization bylaws, a copy of which is included in the Association's most recent annual report, the Board of Directors of the Association (the "Board") has adopted a capital plan that establishes stock or participation certificate purchase requirements for obtaining a loan of 2% of Borrower's total loan(s) or $1,000, whichever is less. Lender will notify you of any increase in the amount of stock or participation certificates required during the term of the loan with Lender. Lender will retain a first lien on the stock or participation certificates owned by you.

Shares of stock and units of participation certificates are sold for their par value (or face amount) of $5 each and can be paid for either with cash or with the proceeds of the loan. When the purchase price is borrowed, the amount of the loan includes the cost of the stock or participation certificates and interest is charged on the entire loan. The portion of the loan proceeds attributable to the purchase price of the stock or participation certificates is withheld and applied to the purchase price of the stock or participation certificates. The total amount of the loan, including the portion used to pay for the stock or participation certificates, is a legally enforceable obligation that must be repaid in full.

All stock or participation certificates are at risk and are not a compensating balance. Under the Association's bylaws, stocks and participation certificates are retired only at the discretion of the Board. There is no obligation to retire such equities upon repayment of the loan. Please review the Association's annual report and capitalization bylaws for specifics on the Association's equity policy. When retired, the equities are retired at the lesser of par or face value or book value. If the book value at the time of retirement has fallen below the par or face value as a result of Lender losses or otherwise, Borrower will receive less than was paid to purchase the equities. In addition, Borrower will remain liable to repay any amount borrowed to purchase such stock or participation certificates. Borrower authorizes and directs Lender to, without further authorization or direction from Borrower, retain from any stock retirement proceeds paid to Borrower any amounts required to purchase participation certifications in Lender or the Association, as applicable, and to retain from any participation certificate retirement proceeds paid to Borrower any amounts required to purchase stock in the Association and to make such purchases on behalf of Borrower to the extent required by

the Association's capitalization bylaws and then distribute the net proceeds (if any) to Borrower as Lender may elect. Presently, Lender meets regulatory minimum permanent capital standards (including interim standards) and has no reason to believe that it will not meet such standards on the next earnings distribution, though no earnings distribution date is scheduled.

**FINANCIAL CONDITION.** Information on the current financial condition of the Association, including information on capital ratios, is provided in the most recent annual report or quarterly report included with this Disclosure. A printed hard copy of Lender's annual report will be mailed to you within 90 days after the end of the fiscal year. If you have provided consent to receive reports electronically, Lender will make an electronic copy of its annual report available to you within 90 days after the end of the fiscal year instead of providing a hard copy. Lender's annual report and most recent quarterly report are also available on the web at www.fcma.com or on request at your local Farm Credit Mid-America office.

**ADDITIONAL INFORMATION.** The articles of incorporation and capitalization bylaws of the Association are available for inspection at the office servicing your loan in addition to being included in the annual report. Lender shall furnish a copy of such documents to any owner of stock or participation certificates upon request. Within 7 days after receipt of a written request by a stockholder, the Association must provide a list of its stockholders' names, addresses, and classes of stock held to such requesting stockholder, subject to certain conditions and certifications set forth in the Act.

**NOTICE TO OUT-OF-TERRITORY BORROWERS.** Please be advised that, according to the Lender's Bylaws, you must reside or farm within the Lender's chartered territory to be eligible to serve as a Director or on the Nominating Committee.

**BORROWER RIGHTS.** The Act provides for certain borrower rights, including, without limitation, the following:

**Access to Documents**. At closing, Borrower (or Borrower's agent, if applicable) will receive copies of loan documents signed by Borrower. Upon request thereafter, Borrower is entitled to: (a) copies of all documents signed or delivered by borrower, (b) copies of the Association's articles of incorporation or charter and bylaws, and (c) copies of each appraisal of Borrower's assets made or used by Lender.

**Protections For Borrowers Meeting All Loan Obligations.** Lender may not foreclose on Borrower's loan because Borrower failed to post additional collateral when Borrower has made all accrued payments. Lender may not require Borrower to reduce the outstanding principal balance of a loan by any amount that exceeds the regularly scheduled principal installment when due and payable, except in limited circumstances. If Borrower pays all accrued payments, including penalties, Lender may not accelerate the loan based solely on Borrower's past untimely payments. If Lender places Borrower's loan in non-accrual status and such action results in an adverse action being taken against Borrower (such as revocation of any undisbursed loan commitment), Lender will notify Borrower in writing of such change in status and the reasons therefor. If Borrower was not delinquent in any payments under the loan at the time of such action and Borrower's request to have the loan reinstated to accrual status is denied, Borrower may obtain a review of such denial before the Lender's credit review committee as more fully set forth in the Act.

**State Mediation Programs.** Lender may not require Borrower to waive any right under an agricultural loan mediation program of any state for any loan secured by a mortgage or lien on agricultural property owned by Borrower.

**Right of First Refusal**. When Lender first elects to sell or lease agricultural real property acquired by Lender which was previously owned by Borrower, Lender must first notify Borrower of his/her/its right to purchase or lease the property, as appropriate.

**BORROWER PRIVACY.** Your privacy and the security of your financial and personal information are vital to our ability to serve your credit needs. We hold your information in strict confidence. It is not sold or traded to marketing companies or information brokers. It may only be disclosed to others in situations allowed by federal regulations or upon your consent.

**INSURANCE.** The Association offers several types of crop insurance coverage. Purchasing insurance from Lender is optional. Purchasing insurance from another provider does not influence in any way our credit decision or any other factor in your relationship with us.

**ANONYMOUS REPORTING.** The Association provides a system that allows customers, employees, and third parties to confidentially and anonymously report issues relating to accounting matters, audit matters, or suspected fraud-related activity. To learn more about the anonymous reporting system or to file an anonymous report, please visit our website at www.e-farmcredit.com or call 1-866-294-3552.

**PATRONAGE.** Upon the passing of a resolution in accordance with the Act and all regulations applicable to Lender and the Association, the Association may choose to distribute to borrowers on a patronage basis all or any portion of available net earnings of Association for such fiscal year, or for that and subsequent fiscal years, upon the terms and conditions set forth in the Association's annual report. Please review the most recent annual report for more information.

**Revocation.** We may terminate your use of the electronic funds transfer services of the Association, if:

(1) You breach this Agreement or any other agreement with us, including any terms of the loan documents mentioned above.
(2) We have reason to believe that there has been an unauthorized use of your Code.

By continuing to use any service after notice of any such amendment to this Agreement or to a service, Customer shall be deemed to have agreed to such amendment and shall be bound by this Agreement as amended.

## Electronic Funds Agreement and Disclosure

The Association has available to its Customers certain processes for the electronic transfer of funds from a Customers bank account to the Customers loan(s). Pursuant to your request the Association may make available to you such processes as the Association shall from time to time make available to Customers for the electronic transfer of funds from the account of Customer.

Parts One and Three of this Electronic Transfer Agreement and Disclosures (the "Agreement") contain terms and conditions that apply to all Customers who use the electronic transfer processes described therein. Part Two of this Agreement contains additional terms and conditions that apply only to a) consumers and b) entities that will use these processes to transfer funds to an account established primarily for personal, family, or household purposes.

### PART ONE. GENERAL PROVISIONS

**Loan Documents.** As a Customer of the Association you have, or may have from time to time, a loan(s) with the Association, the terms and conditions of which are set out in certain loan documents (the "Loan Documents"). This Agreement, and the lending relationship between Customer and Association, shall be and remain subject to the terms and conditions of the Loan Documents except to the extent specifically provided herein to the contrary.

**Preauthorized Transactions.** The Association will, at your request from time to time, electronically transfer funds from your account at another financial institution to your account(s) at the Association. By entering into this Agreement you hereby preauthorize the transfer of funds from your account(s) at other financial institutions as specified in Part Four of this Agreement. To initiate a non-recurring transfer, you must provide the Association with specific transfer information and information regarding the account each time that you request a specific transfer.

**Association Procedures.** The Association may make available to you a process in which you may request transactions in writing, by telephone or through use of the Internet. Association procedures incorporate security measures to minimize the risk of unauthorized transactions and Customer agrees to abide by such procedures. Such procedures may limit the days upon which electronic transactions are available, and may establish certain time periods during such days during which such transactions are available. Generally, ACH transactions will settle on the first business day following when the transaction is initiated. Transactions initiated after 3:00 p.m. (Central Time), or not on a business day, will be settled on the second business day following the day the transaction is initiated. Transactions solely involving the transfer of funds between accounts at the Association will be effective on the date the transaction occurs. Transactions scheduled to occur on a future date will be effective on that date if that is a business day; if it is not a business day it will occur on the following business day. The Association may use any means it considers suitable for the transmission of electronic funds, including an automated clearinghouse system.

**Contacting your Association.** If you believe that someone has transferred or may transfer money from your account without your permission, or if you need to contact your Association regarding any other transaction, call or write to the Association at the following: **1-888-243-4378, option 1** or write:

Farm Credit Mid-America
Attn: Loan Servicing Department
12501 Lakefront Place
Louisville, KY 40232-4390

**Business Days.** For purposes of these disclosures, our business days are Monday through Friday. Farm Credit Mid-America Holidays are not included.

**Limitations on Frequency or Dollar Amount of Transactions.** At this time, there are no limitations on the frequency of transactions and no transaction dollar amount limitation, except that a transaction, or series of transactions, cannot exceed the amount of available commitment on your loan(s) as determined in accordance with the records of the Association.

**Fees.** At this time, there is no separate charge for use of Association electronic funds transfer processes.

## PART TWO. CONSUMER ELECTRONIC TRANSFERS

**Consumer Liability.** You should tell us AT ONCE if you believe your account is misused. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your line of credit. If you tell us within 2 business days after you learn of the loss or theft of your Code, you can lose no more than $50 if someone used your Code without your permission.
If you do NOT tell us within 2 business days after you learn of the loss or theft of your Code, and we can prove we could have stopped someone from using your Code without your permission if you had told us, you could lose as much as $500. Also, if your statement shows transactions that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you or made available to you electronically, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

**Confidentiality.** We will not disclose information to third parties about your account or the transactions you make unless:

1. Doing so is necessary to complete your transfers or transactions, or
2. Doing so is necessary in order for us to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or
3. Doing so is necessary in order for us to comply with government agency or court orders, or
4. You give us your written permission, or
5. Doing so is permitted pursuant to the Farm Credit Act of 1971 and its implementing regulations, as amended from time to time.

By signing the Agreement, each Customer authorizes the Association to take the above actions and consents to the Association making the above disclosures.

## DOCUMENTATION

**Preauthorized Credits.** If you have arranged to have payments made to your account at least once every 60 days from the same person or Association, you can call us at the above contact number to find out whether or not the payment has been made.

**Periodic Statements.** You will get a monthly account statement after your first use of these electronic funds transfer processes.

## PREAUTHORIZED PAYMENTS

**Right to Stop Payment and Procedure for Doing So.** If you have told us in advance to make regular payments out of your account, you can stop any of these payments. To stop a payment, call or write us at the above contact number or address in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. At this time we will not charge you for a stop payment order you give.

**Notice of Varying Amounts.** If these regular payments may vary in amount, you have a right to be notified, and the Association will tell you, 10 days before each payment, when it will be made and how much it will be.

**Liability for Failure to Stop Payment of Preauthorized Transfer.** If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

**Financial Institution's Liability.** If we do not complete a transaction on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of ours, you do not have enough money available in your loan account to complete the transaction.
2. If the transaction would cause you to exceed the credit limit on your loan account.
3. If the system was not working properly and you knew about the breakdown when you started the transaction.
4. If circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that we have taken.
5. Any other exceptions to which we have agreed in writing.

**Error Resolution Notice.** In case of errors or questions about your electronic transactions, call or write to us at the above contact number and address as soon as you can, if you think your statement is wrong or if you need more information about a transaction listed on the statement. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and loan number.
2. Describe the error or the transaction you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this and you are a Consumer, or the transaction involves a consumer account, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. We will tell you the results within three business days after completing our investigation. If we decided that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.
